

SCHULTE®

GO NUMBER ONE! GO SCHULTE!

NEW !! FX180 ROTARY CUTTER

ECONOMY PRICED!

15'

A easy clean, single domed 7 gauge continuously welded deck.

6.5" blade overlap and high blade tip speeds.

A four gearbox drive line with independent slip clutches.

An 80 degree CV shaft allows for smooth power transmission during tight turns.

Deck rings are standard on the FX-180. Deck rings protect the cutter deck from the blades rising when obstacles are encountered.

Spun formed 7gauge stump jumpers (round skid pans) ensure durability and balance.

Available in 540 or 1000 rpm drive.

Call: 1(800) 404-6044 or visit www.schulte.ca for more information on our complete line of Rock Removal Equipment, Rotary Mowers & Snow Blowers
