Schulte's Small Snow Blower Models, Continued Reliability

- The all new 75"(191cm) Schulte SBX-75 snow blower and the 87"(221cm) Schulte SBX-87 snow blowers work with all popular skid steers. A 3pt version is also available for 25-65hp tractors.
- Built with the legendary Schulte quality and durability, both models feature a replaceable cutting edge and adjustable, replaceable skid shoes.
- The blowers also have an improved larger chute design for greater efficiency allowing a further throw than previous models.

World Class *Built to Last*
